# WILD ROSE ELEMENTARY RENOVATIONS AND ADDITION

We are grateful to the community for supporting our 2022 referendum projects. **THANK YOU!**

Improvements at Wild Rose Elementary School included:

- The Main Office was relocated and renovated to create a secure entrance to better monitor and control visitor access.
- The former Office space was renovated to a Maker Space lab.
- The addition added classroom space, a conference room, restrooms, and building storage.
- The entire roof was replaced and the building envelope, floors and ceilings were repaired.
- Lighting was upgraded to LED to improve energy efficiency.
- Classroom furniture was updated to create more flexible learning environments.
- The asphalt playground and front driveway were resurfaced.
